

The Goulburn Broken Greenhouse Alliance invites you to attend the upcoming Electric Vehicle (EV) Forum and learn more about the viability and benefits of EV technology for regional Victoria

Electric Vehicle Forum

Wednesday 21 March 2018

1.30pm - 3.00pm

Lakeside Community Centre, Glasshouse Room,
Benalla Showgrounds, Maud Street, Benalla

Hear from a number of guest speakers and discuss:

- Public perception and community knowledge
- EV infrastructure requirements
- Technology advances
- Environmental and economic advantages

An EV demonstration will form part of the forum

Afternoon tea provided

Please RSVP by Friday 16 March to kat@platform1consulting.com.au or 0429 936 666 (notification of dietary requirements upon RSVP)
